

Memo to: Governor
From: Buddy
Re: Interview request
Date: March 26, 2008

Governor –

A NY Times reporter, Micki Maynard, is working on a book about foreign investments in the US and was referred to you by Dennis Cuneo. Ms. Maynard works in the Times' Detroit bureau. She would like to talk to you about how Mississippi landed Toyota and why you feel it was an important project.

While her first draft is due to the publisher at the end of March she plans to add material later on in the summer, which is why she feels it would be timely to talk to you in the near future.

Dennis can shed more light on this if you wish. Ms. Maynard may be reached at (w) [REDACTED] or (cell) [REDACTED]

Shall we arrange an interview?
